Dear _____,

For the past eleven years, the Rotary Club of Seminole County South has sponsored a student recognition program and charitable event known as the Rising Achievers Program (RAP). In addition, the funds raised also provide donations to various charities and scholarships to deserving students.

We are proud to announce that our 12th year event will be held Sunday April 15, 2012, at the beautiful Orlando Marriott Lake Mary, 1501 International Parkway, Lake Mary, FL 32746. Two senior students from each of the nine Seminole County High Schools, or eighteen students, will be honored at this gala dinner event. The students selected have overcome an obstacle or adversity in their lives and continue to persevere to become good students and fulfill their dreams and objectives.

We invite you to visit our website, www.ssrotary.com/rap, to learn more about the Rising Achiever's Program. Take a look at the programs and the past recipient's stories. What you will not see is how some of the students have been in the foster care system, some have lived with teachers or guidance counselors, some have lived with other than a parent, and some were actually homeless. Despite their hardships, they made a choice to go forward and reach for success.

Please consider sponsoring a table and joining us at this gala event. The funds raised last year in addition to the RAP program provided donations to fourteen charities, which included Families In Transition, Make-A-Wish Foundation, and Safe House of Seminole to name just a few. In addition, college scholarships were awarded to deserving students.

Attached is a Sponsorship Form for completion, and I will follow up in the near future. However, if you have any questions or need additional information, please call me at (407) 325-1609 or e-mail me at dbates29@cfl.rr.com.

This is an excellent way to meet fellow business, professional, and educational leaders, enjoy a great dinner, and receive publicity for your company all at the same time.

Sincerely,

Dudley Bates
